

Dear Shelagh,

Demo Video: Highcon Beam Digital Creasing & Cutting Machine

We recently hosted a [live demo of the Highcon Beam](#) digital cutting and creasing machine which was broadcast to over 300 viewers in 40 countries around the world. The demo featured 2 complete setups and 5 different cutting shapes – all in less than 30 minutes. We also spoke to Brian Sidebottom, beta-testing the Highcon Beam.

Interested in watching an on-demand recording of the event?

News: Strategic Partnership with Komori America Corporation

In other news, we announced a [strategic partnership with Komori America Corporation](#) who will sell and support the entire Highcon product line in the USA.

"The recognition of our revolutionary technology by Komori with their 100 years of focus on reliability and quality is a powerful endorsement."

Ron Kukla, Highcon Sales Director, Americas

KOMORI
