

Highcon will be attending Xeikon Café – packaging Innovations 2015!

March 5, 2015

I would like to personally invite you to visit Highcon Systems at the Xeikon Café event, March 10-12th, in Antwerp, Belgium..

We invite you to learn more about how Highcon digital cutting and creasing can help you add value for your customers, by offering them true design flexibility and rapid time to market, as well as increased responsiveness.

Come listen to my presentation at 16:00 - 16:30 on 10th March in Meeting room ZAPF, where I will introduce you to the benefits the Highcon™ Euclid can bring you, and show you some of the results produced by our customers all over the world.

- New Business Growth
- New customers
- Existing customers
- Differentiation
- New Products
- New Markets
- Customer Retention
- Process Improvement
- Saving money
- Time to market

Filip Weymans, Director segment marketing and Business development Labels & Packaging at Xeikon said it best upon his twitter account:

*@HighconDART looking forward to have the only **#Digital #Converting** machine for **#FoldingCarton** that meets Xeikon capacity at **#XeikonCafe***

Come see examples of commercial and label applications from Highcon users successfully finishing products printed on Xeikon presses. Don't miss it!

If you would like to set up a meeting with us, please email me at nigel.tracey@highcon.net
