

HIGHCON HIGHLIGHTS

March 2018

Dear Paul,

Spring is here and we're preparing for a round of exciting events all over the world. As this goes out, the Highcon booth at Dscope Dallas is busy with visitors coming to see samples of Highcon application and to hear real life stories from some of our customers.

freshCutcrafts

We have been excited about the launch of the latest venture of industry expert, Trish Witkowski - [freshCutcrafts](#). And we're proud to be part of it.

Designed to address the needs of paper crafters and busy moms through creative precut paper card forms and shapes in an array of bright colors, Trish realized there were problems she could solve for crafters —and with her knowledge of the print industry, she knew exactly who to call. The first call went out to Highcon Systems.
